Ms Rose B  
Royale Limousines  
99 Pymont St,  
Pymont, NSW 2009

Dear Rose,

Thank you for your generous donation to this year's Lynne King Cancer Care Foundation annual gala dinner. With your support we have been able to raise much needed funds to help those with cancer facing financial difficulties.

This year the dinner was attended by 250 corporate and private guests and raised over \$40,000. It seems like everyone had a great night from the feedback we've had and next year promises to be no different.

For those of you that could not attend I have enclosed a copy of the Foundation booklet everyone received on the night that mentions you as a sponsor. I hope this also gives you an insight into what a great night we had. You will also find that your support is included on our website [www.lyncares.com](http://www.lyncares.com).

It was terrific to see Vanessa Piccinini take the stage in perfect health to tell us of her remarkable recovery and of her recent engagement. With your help we hope to have a few more good news stories to tell next year. Sadly for most people needing our support all we can hope is that their burden is lightened a little and that they can manage their illness with some dignity.

There are many worthwhile charities requiring assistance just like us, so we never take your help for granted. We are therefore privileged you chose to support us and we look forward to your continued support next year.

### **Gala Dinner 2012 date already set!**

Saturday the 1st of September 2012 has been set for next year's gala dinner and is kindly hosted once again by our generous friends at the Epping Club. We'd also like to thank the Epping Club for recently helping us achieve a \$10,000 grant through the Parramatta Council CDSE funding scheme.

If you would like to attend please contact Lisa Coates on **9878 7112** for advance bookings. Don't worry if you can't get a table of ten together, we'll make sure you're sitting at a table full of people that like to have fun and raise a bit of money for a worthwhile cause.

On behalf of all our Trustees and all those who will benefit from your involvement please accept our sincerest thanks.

Kind Regards,

Reg King
